

Hi, I'm Samuel Mundia **samuel mundia**

Contact Information

NAME: SAMUEL MUNDIA GACHECHE

MOBILE NUMBER: (254) 700 527724

EMAIL: mundiasamuel4@gmail.com, mundiasamuel@outlook.com

Professional Summary

Detail-oriented Geographic Information Systems Technologist with exceptional data collection skills, thrives in fast-paced, creative and collaborative environments. Brings knowledge of basic principles and techniques of GIS applications, design and database management. Adapts to an evolving work atmosphere requiring quick departure and reorganization of schedules. I have over 2 years experience applying advanced analytics, data science, mathematics and statistics to find insights in data. Accustomed to working with both computer and internet based technologies.

Experience

Geospatial Analyst *Mar 2021 - Current*

Upwork, Global

- Used Compiled data to design maps, charts and graphs.
- Devised purpose-built configurations to prepare customer data for import and analysis.
- Collected Quantitative and Spatial data using GIS and GPS collection methods.
- Provided GIS technical expertise to users in different industries.
- Evaluated GIS data to determine the relationships between points and display the results of analyses with maps and tabular data.
- Interpreted aerial and Ortho photographs.
- Conferred with users to analyze, configure or troubleshoot applications.
- Used spatial analyses procedures and GIS technology to create the maps, tables and reports needed for resource monitoring.

- Designed, coded and tested the GIS applications, models and mapping solutions according to industry needs.
- Coordinated the efficient manual and automated entry of geographic data using techniques such as digitizing maps, converting other digital sources and keyboarding in tabular data.

Data Analyst *Mar 2021 - Current*

Upwork, Global

- Leveraged available data to create charts and presented findings through written reports and presentations.
- Compiled and sorted information to prepare source data for computer entry.
- Validated integrity and completeness of statistical data.
- Created new report types to identify important issues, trends and business opportunities.
- Maintain database files, tables and dictionaries to prevent data loss.
- Compiled , analyzed and modeled data to support recommended changes.
- Applied analytical tools and methods to inform business decision making processes.
- Gathered, aggregated and modeled critical business data to forecast changing market variables.
- Enhanced and maintained existing reports and analytical applications.
- Used external industry data to identify business trends, risks and opportunities.

Sales Agent *Sep 2022 - Nov 2022*

Naipa Group, Lodwar

- Cross-sold products to clients to boost sales revenue.
- Resolved customer problems, immediately escalating critical issues to supervisor with prompt mitigation.
- Used creative sales techniques to find and develop relationships with prospective customers.
- Provided customers with a clear understanding of charges, billing and price changes.
- Handled billing inquiries and provided customers with account changes based on requests.
- Kept records of sales-related activities and transactions in company record books.

Education

BACHELOR OF SCIENCE - GEOSPATIAL INFORMATION SYSTEMS

Graduated - Dec 2022

Jomo Kenyatta University of Agriculture and Technology, Nairobi

HIGH SCHOOL DIPLOMA - KENYA CERTIFICATE OF SECONDARY EDUCATION

Graduated - Nov 2014

Jomo Kenyatta High School, Nakuru

- Attained a grade of A- 76 points out of 84.

PRIMARY SCHOOL CERTIFICATE - KENYA CERTIFICATE OF PRIMARY EDUCATION

Finished - Nov 2010

Waka Junior Academy

- Attained 349 marks out of 500.

Skills

- Map Production
- GIS application Programming
- Model data
- Analyze Trends
- Coding - Python, R, Java Script
- Analytical Tool Implementation
- Database Maintenance
- Visual data representation
- Analytical thinking
- Creative thinking
- Topographic surveying
- Problem Solving
- Serve Customers

Languages

- English, Fluent
- Swahili, Fluent
- Kikuyu, Native

Hobbies

- Adventure
- Playing Football

Certifications

- Kenya Certificate of Primary Education
- Kenya Certificate of Secondary Education
- Bachelor of Science Geospatial Information Systems
